

TRADES COUNCIL SUPPORTS UNITE TIPS CAMPAIGN AT PIZZA EXPRESS

TC members joined with UNITE hotel & restaurant workers in a demo at the Dean Street Pizza Express on August 20.

This was a key part of the UNITE campaign to stop employers in some chains like Pizza Express and Giraffe taking chunks out of tips given by customers, either claiming admin expenses or just creaming off what they want.

UNITE have forced this as a big issue on TO radio and in the press.

Pizza Express caved in the following week, quickly followed by other chains half-inching the workers' tips. . The restaurant workers are now hunting down the remaining meanies.
